

Board of Education

Salisbury seat

Alisha Byrd-Clark
Incumbent

Address: P.O. Box 484,
Salisbury
Age: 44
Occupation: Nonprofit operator
Education: Strayer University
master's, WSSU undergrad

What is your opinion on consolidation?

Byrd-Clark does not oppose consolidation. She said she opposed it when she was elected, but is now better informed and thinks it is in the best interest of the district

Do you agree with students being open right now?

Byrd-Clark supported returning under plan C and thinks any infections in the district is too many. She thinks the return has gone well, but stands by her vote for plan C.

Are you in favor of competency-based education?

Byrd-Clark is in favor of competency-based education, saying it gives students the chance to learn and achieve mastery at their own pace.

Jonathan Barbee
Challenger

Address: 101 Polo Dr., Salisbury
Age: 22
Occupation: Carpenter
Education: Bachelor's degree,
Catawba College

Barbee opposes consolidation and would like to explore other uses for buildings like possibly leasing them for other education purposes.

Barbee would return students to school, but not all at once. His plan would not place students at home on certain days of the week.

Barbee does not oppose competency-based education and would like more research on its effectiveness. He likes that it tailors to individual students.
